BOAC Area (Caledonia Camp)					
<p>Note : the personnel listed below all worked for BOAC. However it is possible that they did not all live in Caledonia Camp. <i>Those who most likely did NOT live there are noted with a *</i>. I would like to offer my utmost gratitude to Michal Millar Crowe for her help in updating the first file. Her knowledge of BOAC was priceless.</p>

Macnamaras Camp was located at the end of what was originally called Runway 3 on the south-west corner of the old airport (See air photo.) This was simple accommodation planned for workers operating a crusher but, due to a housing shortage, became home for 25-30 families over an almost 10-year period.
